## **Outdoor Play**

Outdoor play is an important part of your child's day. We believe it is vital for the total health of a child. Camp is an outdoor event every day, rain or shine, with the exception of lightning. Many field trips are also primarily outside activities. Please apply sunscreen to your child each morning before sign-in. **Camp counselors will give regularly scheduled reminders for campers to "hydrate" & "sunscreen" but cannot be held responsible for your child's compliance.** Please reinforce with your child the importance of completing these instructions when given.

**All children who are well enough to be at the program are expected to participate in outdoor activities.**

### **Dress Appropriately**

Please consider the weather before your child leaves home every morning and remember that the weather can change quickly. Appropriate footwear and clothing will help your child enjoy a more comfortable day. Clothing should be identified with the child's first and last name on it. **A lost and found box will be kept near the Parent Communication Center and should be checked each week for your child's belongings.**

### **Camp Counselors**

Our camp staff are carefully screened and selected based on experience, education, skills, certifications, character (caring, honesty, respect and responsibility), enthusiasm and love of working with children. All our camp staff meet both YMCA and NYS Department of Health requirements and guidelines.

### **Camper Code of Conduct**

Our goal at the YMCA is to provide a healthy, safe, & secure environment at camp for all campers. We focus on four core values: Caring, Honesty, Respect & Responsibility. Children attending camp are expected to follow our Code of Conduct and interact appropriately in a group setting. Campers will:

1. Follow directions & camp rules
2. Respect self, respect others and respect property
3. Use appropriate verbal and body language
4. Keep your hands and feet to yourself
5. Stay with the group

The overall safety of all children in camp is our highest priority. Please encourage your child to speak to a camp staff member if they are having any concerns with other campers, camp staff or other safety issues. **The YMCA reserves the right to send home or suspend a camper from camp for disruptive, unsafe, or persistent behavior issues. Campers with multiple warnings and/or written behavior reports may also be excluded from weekly field trips**

### **Camp T-Shirts**

For their safety, all campers are required to wear their camp shirts on ALL FIELD TRIPS. The cost of the t-shirt is included in the camp fee and will be given out on the first field trip day. Extra camp shirts are available for purchase. Each camper will receive one free shirt per year. Campers unprepared for field trips will be supplied an additional camp t-shirt at parent expense.

### **Character Development**

The Fulton County YMCA has four core values that we strive to model and develop in our campers on daily basis. They are CARING, HONESTY, RESPECT and RESPONSIBILITY. We incorporate them into all aspects of our camp program.

### **Cubbies**

Cubbies will be available for campers use each day. Campers must keep all their belongings in assigned cubbies provided for them. Each CAMPER is responsible for keeping his/her cubby clean & organized while at camp & keeping track of his/her personal items.

### **Daily Activities**

Campers will be grouped into different units depending on age & other variables. All children are encouraged to participate in many different camp activities such as arts & crafts, games, sports, singing, dancing, swimming & much more. An example of camp activities and a typical camp day is available & posted in our unit areas.

### **Discipline Policy**

The YMCA cannot serve campers who display unacceptable behavior. If campers exhibit any type of behavior which is thought to be unacceptable by a counselor and/or the camp director, they will be warned to correct their behavior and their parent will be contacted by phone and/or writing. Examples of unacceptable behavior includes, but are not limited to: foul language, disrespect for another camper or staff, fighting, bullying, not taking part in activities, ignoring or disobeying rules of safety, public displays of affection, defacing property/vandalism, stealing, and contributing to a hostile camp environment

### **Early Pick Up**

If your camper is going to be picked up early we must have a written note from the parent or guardian stating the date & time and who will be picking them up. Please complete an "EARLY RELEASE FORM" to submit at your child's sign-in. This will inform the Camp Director, Assistant Director, and camp staff so that they may be prepared for your early arrival and significantly reduce your wait time. **The YMCA reserves the right to refuse pick-up to anyone not listed on the Pick-Up authorization list or that is unable to show photo ID.**

### **Extended Care & Late Pick-Up**

Camp hours are 9am - 4pm. Optional Extended Care hours are 7:00-9:00am & 4-5:30pm. If a child is picked up later than 5:30pm there will be a \$15 late fee payable at pick up. After 15 minutes (5:45pm) there will be an additional \$5 late fee charged for each 5 minutes thereafter.

Please let the Director or Assistant Director know of any food allergy your child may have so we can take the necessary precautions. **Our camps are nut free zones – please do not send your child with lunch or snacks containing any nut products. If this happens you will be called to bring a different lunch for your child. If you cannot be reached, camp counselors will remove the allergen containing item from the facility and determine if your child has an adequate amount of food for their age & size. available to care for your child all day & we do not want other campers or staff to get sick. If your child gets sick after coming to camp or is unable to participate in camp activities due to illness, you will be called immediately to have someone come pick up your child since they cannot stay in camp for the remainder of the day. If your child is suspected of having a communicable disease they will be suitably isolated until they are picked up.
